## Technical Support Privacy Policy

Free use of the Technical Support area of this web site is available to those who agree to these privacy terms: Synergy Systems, LLC maintains a log file of Guest Book entries that collects information on IP addresses and browser types. The Log file assists us in generating and supplying the type of information most likely to be of interest to those requesting technical support.

We do not link any information gathered in this log file to any personally identifying information that may be, or has been, submitted for order entry or shipping purposes. The information collected is never sold or shared with any other company or individual.
